

## **Invite a guest and attend a CCI Seminar for FREE!**

As a CCI Vancouver member, you are entitled to bring a guest to a CCI Educational Seminar twice a year for free. As a thank you to you, when you bring along a strata council member as your guest you will also attend the seminar for free.

Please download and fill out the referral invitation and let us know which seminar you are attending.

- Only strata council member's whose strata corporation is a CCI member can take advantage of this opportunity
- Two referral invitations per council member can be used per year and can be downloaded from the CCI website: [www.ccivancouver.ca](http://www.ccivancouver.ca)
- The person invited may only attend once as a guest

We believe once strata council members attend our Strata Educational Seminars and review our quarterly newsletter, they will quickly see the benefit of joining CCI. Please help us let those who may be in most need know of the opportunities CCI provides and the educational resources available to them.

Please note: Free seminar guest attendance is only for current CCI Vancouver Members to invite council members of non-member strata corporations to attend.
