

Condo News is a quarterly strata publication of CCI - Vancouver with CRT, Case Law and Legal updates as well as educational strata related articles submitted by Business Partner and Professional members of the chapter. With the redesign of the Winter 2017 issue, Condo News is now provided in both electronic and printed versions to members and the public via the chapter's e-newsletters, website, social media and its strata educational programs and seminars. Condo News is created with the aim of helping strata councils in BC learn to better equip themselves to perform their duties for the betterment of their Strata Communities.

Limited ad space is available for each issue of Condo News on a first come, first serve basis. A waiting list is available for those ads that can not be inserted. Beginning with the Spring 2017 issue, all ads in Condo News will be linked to the advertiser's website.
